Attention: Darryl Wright

Re: Monetra with CardShield Version 7

Dear Mr. Wright:

This letter is to inform MainStreet Softworks that its payment application, Monetra with CardShield Version 7, has received a grade of **PASS** from the PCI Security Standards Council (the "Council") Quality Assurance Team. Your PA-QSA has been notified of this grade as well. This letter does not represent an endorsement of the Application, but rather validation that the minimum documentary requirements have now been met.

Having achieved a passing grade, the Council will list the Application on its Validated Payment Application List once your invoice has been paid.

Please feel free to contact me with any questions you may have about this process.

Sincerely,

Lindsay De Santis
